Senior United States District Judge  
United States District Court  
Eastern District of New York

**Re: United States v. OZ Africa Management GP, LLC, No. 1:16-cr-00515-NGG**

Dear Judge Garaufis:

We represent certain former equity holders of Africo Resources Limited (the “Africo Owners” or “Claimants”), victims of the defendant’s crime for whom we are seeking restitution. Based on certain assertions made at the April 5, 2018 status conference, it is clear that the Claimants and the government continue to have a different understanding of certain facts and circumstances surrounding the defendant’s crime and the impact those facts may have on the Claimants’ entitlement to restitution under the MVRA. Accordingly, we have accepted the government’s invitation in its March 2, 2018 letter to the Court (Dkt. No. 40 at 16) to meet and provide additional information and evidence to clarify any remaining issues regarding the scope of the charged conspiracy as well as the causal connection between the offense conduct and the Claimants’ harm.

Accordingly, we respectfully request that the Court withhold its ruling on this matter until the government and counsel for the Claimants have met, which we expect will occur within the next two weeks. We will inform the Court of the results of the meeting shortly thereafter.

Respectfully submitted,

WILSON SONSINI GOODRICH & ROSATI
